

# Stoney's Students of the Week

May 4-May 8

## ECE

Ms. Loud - This week, **Montray Hays**, **Connor Ware** and **Amir Spencer** are my students of the week. I am proud of their accomplishments this year as well as their improvement(s). I look forward to working with them (and their parents) as they progress academically.

Mrs. Wolverton - This week's Student of the Week is **Aaron Moore** for swiftly joining his online class so he could continue his learning.

Mrs. Jones - I want to recognize **Sheldon Wilson** as one of my most improved students and my Student of the Week. He has demonstrated that he has the ability to continue with crucial social skills taught in the classroom.

## Kindergarten

Mrs. Poole - Student of the Week is **Ava Galloway** who turned in the most assignments during this time of Home Learning. Way to go Ava!

Ms. Rice - **Christopher Craft** and **Bryson Adams** faithfully completed all their work daily. **Arlaijah Haley** buckled down and completed 21 Zearn Lessons last week to catch up. She's in the green with 11 first grade lessons!

## 1<sup>st</sup> Grade

Ms. Lewis - I like the way that **Katelyn George** has been reaching out to the other students and myself. She also has been working hard to complete all her assignments.

## 2nd Grade

Mrs. Ouma - My student of the week is **Cirstyn Craft**. Cirstyn has been successfully completing all assignments.

## 4<sup>th</sup> Grade

Mrs. Bowling - **Kyleiah Williams** has done an 'owl'standing job with online learning. She completes all her work with pride, and I haven't had to search for any assignments.
